About Us

ST International is a Bangladesh-based company specializing in the supply of laboratory equipment, scientific instruments, and testing solutions to institutions, industries, and research organizations nationwide.
Serving universities, hospitals, research institutes, textile industries, and government organizations across Bangladesh with precision and reliability.

Our Business /

We supply high-quality laboratory equipment, analytical instruments, educational lab materials, industrial testing equipment, health & safety products, and scientific consumables sourced from trusted international manufacturers.

ST INTERNATIONAL

Your trusted partner for laboratory equipment, scientific instruments, and testing solutions in Bangladesh. Precision. Quality. Reliability.

OUR VISION AND MISSION

OUR VISION

To be Bangladesh's most trusted and leading supplier of laboratory equipment, scientific instruments, and testing solutions — empowering research, education, and industry with world-class precision tools.
Advancing science and innovation across Bangladesh through reliable, high-quality laboratory solutions.

OUR MISSION

To supply premium laboratory equipment, scientific instruments, educational lab materials, and industrial testing solutions with integrity, technical excellence, and outstanding after-sales support to institutions across Bangladesh.

CORE VALUES

Our values define every product we supply and every partnership we build — precision, quality, and reliability at the heart of all we do.

CORE VALUES

PRECISION

Accuracy in Every Solution

We deliver scientifically precise instruments and testing solutions that meet the highest international standards for research and industry.

QUALITY

Uncompromising Standards

Every product we supply undergoes rigorous quality assessment. We source only from certified international manufacturers to ensure excellence.

RELIABILITY

Trusted Supply & Support

Our clients trust us for consistent product availability, on-time delivery, and dedicated technical after-sales support across Bangladesh.

OUR PRINCIPLES

ST International is committed to empowering Bangladesh's scientific, educational, and industrial sectors with world-class laboratory and testing solutions.

OUR COMMITMENTS

01 CUSTOMER FOCUS

We place our clients at the center of everything, ensuring tailored solutions and responsive service.

02 INNOVATION

We continuously explore new technologies and products to keep our clients ahead in science and industry.

03 INTEGRITY

We operate with full transparency, ethical sourcing, and honest business practices in every transaction.

04 EXCELLENCE

We strive for excellence in product quality, technical knowledge, and customer satisfaction at all times.

PRODUCT CATEGORIES

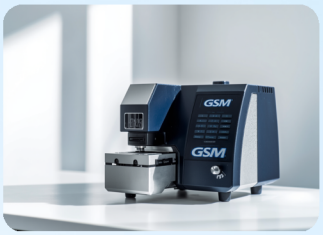

From analytical balances to textile lab materials, our product portfolio covers every scientific and industrial testing need for research, education, and industry.

TEST KITS &
Filter Papers

Comprehensive range of water, soil, and chemical test kits along with laboratory-grade filter papers for analytical applications.

GSM &
Bioflog Equipment

GSM instruments for fabric weight measurement and Bioflog equipment for biological and laboratory fluid processing applications.

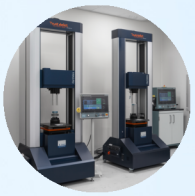

ANALYTICAL
Balance & Instruments

High-precision analytical balances, weighing scales, and scientific measurement instruments for laboratory and industrial use.

OUR SEGMENTS

ST International offers 12 specialized product categories serving laboratories, educational institutions, industries, and research centers across Bangladesh.

OUR SOLUTIONS

01 **PLASTIC & GLASSWARE**
Laboratory-grade plastic and glassware including beakers, flasks, pipettes, and storage containers.

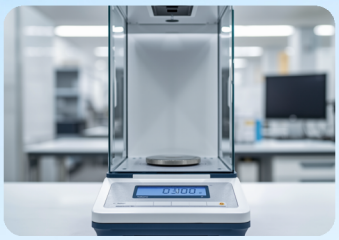

02 **EDUCATION LAB MATERIALS**
Complete educational laboratory kits and materials for schools, colleges, and universities.

03 **HEALTH & SAFETY**
PPE, safety cabinets, protective gear, and workplace safety solutions for laboratories.

04 **TEXTILE & CIVIL EQUIPMENT**
Textile testing, soil testing, construction material testing, and civil engineering lab equipment.

LABORATORY EQUIPMENT SOLUTIONS

From analytical balances and microscopes to advanced testing instruments, ST International delivers comprehensive laboratory solutions tailored for scientific excellence.

ANALYTICAL BALANCE

Precision Weighing Instrument

High-precision analytical balances for laboratory use, offering accuracy up to 0.0001g for pharmaceutical, research, and quality control applications.

MICROSCOPY SYSTEMS

Advanced Optical Instruments

Professional microscopy solutions including compound, stereo, and digital microscopes for education, research, medical diagnostics, and industrial inspection.

TESTING SOLUTIONS

Scientific Testing Instruments

Comprehensive range of testing instruments including pH meters, spectrophotometers, centrifuges, and calibration tools for precise laboratory analysis.

OUR EQUIPMENT

ST International supplies certified laboratory equipment sourced from leading global manufacturers, ensuring compliance with international quality standards.

KEY FEATURES

01 CERTIFIED QUALITY
All instruments meet international quality and safety certification standards.

02 TECHNICAL SUPPORT
Expert installation, calibration, and after-sales technical support provided.

03 FAST DELIVERY
Reliable nationwide distribution with prompt delivery across Bangladesh.

04 GLOBAL SOURCING
Instruments sourced from trusted international manufacturers and suppliers.

EDUCATIONAL LABORATORY SOLUTIONS

ST International equips educational institutions with world-class laboratory instruments, glassware, chemicals, safety equipment, and consumables for hands-on scientific learning.

SCHOOL LABORATORIES

Primary & Secondary Level

We supply complete school lab setups including basic chemistry, biology, and physics equipment, glassware, safety gear, and educational consumables for secondary level institutions.

COLLEGE LABORATORIES

Intermediate & Diploma Level

We provide advanced laboratory instruments and analytical tools for college-level science programs, including microscopes, balances, titration sets, and testing kits.

UNIVERSITY LABORATORIES

Higher Education & Research

We deliver research-grade analytical instruments, precision balances, spectrophotometers, and advanced scientific consumables for university and postgraduate laboratory programs.

OUR INSTITUTIONS

ST International proudly serves schools, colleges, and universities nationwide with certified educational laboratory equipment and scientific materials meeting curriculum standards.

OUR LAB SUPPLIES

01 GLASSWARE & PLASTICWARE
Beakers, flasks, test tubes, petri dishes, and complete plasticware sets for all lab levels.

02 MICROSCOPES & OPTICS
Compound and stereo microscopes, magnifiers, and optical instruments for biology labs.

03 CHEMICALS & REAGENTS
Indicator papers, chemical reagents, stains, and consumable supplies for science experiments.

04 SAFETY EQUIPMENT
Lab coats, gloves, goggles, first aid kits, and fire safety equipment for student protection.

TEXTILE TESTING

Comprehensive textile testing equipment for fabric strength, color fastness, shrinkage, pilling resistance, and dimensional stability — all sourced from leading global manufacturers.

INDUSTRIAL TESTING SOLUTIONS

GSM CUTTER & BALANCE

Fabric Weight Testing

Precision GSM cutters and digital balances for accurate fabric weight measurement. Essential tools for every textile quality control laboratory in Bangladesh.

TENSILE STRENGTH TESTER

Textile Mechanical Testing

Universal tensile strength testing machines for evaluating yarn, fabric, and seam strength. Meets ASTM, ISO, and BS testing standards for export compliance.

COLOR FASTNESS TESTER

Dye & Finishing Quality Control

Washing, rubbing, and light fastness testing instruments to assess dye durability. Critical for garment exporters meeting international buyer quality requirements.

OUR CLIENTS

ST International supplies certified textile testing instruments sourced from globally recognized manufacturers, ensuring accuracy, reliability, and compliance for Bangladesh's RMG sector.

OUR SOLUTIONS

01 **GSM INSTRUMENTS**
Precision fabric weight measurement tools for RMG and textile manufacturing quality labs.

02 **TENSILE & TEAR TESTERS**
Yarn, fabric, and seam strength testing to international ASTM, ISO, and BS standards.

03 **COLOR FASTNESS EQUIPMENT**
Washing, rubbing, and light fastness testers for dye and finishing quality assurance.

04 **QUALITY CONTROL SYSTEMS**
Integrated QC instrument packages for full textile production line compliance testing.

CIVIL & CONSTRUCTION TESTING

KEY EQUIPMENT RANGE

We supply complete civil engineering laboratory solutions including soil mechanics testing, aggregate analysis, concrete testing, and bitumen testing instruments for construction quality assurance.

SOIL TESTING

Geotechnical Analysis

Atterberg limits apparatus, proctor compaction test sets, CBR testing equipment, consolidation apparatus, triaxial shear test devices, and permeability testing instruments.

CONCRETE TESTING

Compression & Strength Testing

Concrete compression testing machines, slump test apparatus, cube molds, Schmidt rebound hammer, non-destructive testing devices, and curing tanks for quality control.

BITUMEN TESTING

Asphalt & Road Material Testing

Penetration test apparatus, softening point ring and ball equipment, ductility testing machines, flash point testers, and Marshall stability test systems for road construction.

OUR SERVICES

01 SOIL MECHANICS LAB
Complete soil testing kits for geotechnical investigation and site analysis.

02 AGGREGATE TESTING
Sieve analysis sets, Los Angeles abrasion machines, and aggregate impact testers.

03 CONCRETE LAB
Compression machines, cube molds, slump cones, and NDT testing instruments.

04 BITUMEN & ROAD
Marshall stability, penetration, ductility, and softening point test equipment.

HEALTH & SAFETY SOLUTIONS

SAFETY PRODUCT RANGE

ST International supplies a complete range of PPE, laboratory safety equipment, and workplace protection products to industries, hospitals, research institutes, and educational institutions across Bangladesh.

PERSONAL PROTECTIVE
Equipment (PPE)

Safety helmets, gloves, goggles, face shields, lab coats, respirators, and full-body protective suits for laboratory and industrial environments.

LABORATORY SAFETY
Equipment & Systems

Fume hoods, safety cabinets, eyewash stations, emergency showers, fire extinguishers, spill containment kits, and first aid supplies for lab safety.

WORKPLACE PROTECTION
& Compliance Solutions

Safety signage, hazard warning systems, chemical storage solutions, safety data sheet management, and workplace compliance tools for all industries.

OUR CLIENTS

We serve hospitals, diagnostic labs, research institutes, textile factories, manufacturing plants, and educational institutions with certified safety products.

OUR SERVICES

01 **PPE SUPPLY**
Certified personal protective equipment for lab and industrial use.

02 **LAB SAFETY SYSTEMS**
Fume hoods, eyewash stations, and emergency safety equipment.

03 **FIRE & CHEMICAL SAFETY**
Fire extinguishers, spill kits, and chemical storage solutions.

04 **COMPLIANCE SUPPORT**
Safety audits, signage, and regulatory compliance assistance.

INDUSTRIES WE SERVE

ST International delivers premium laboratory equipment, scientific instruments, and testing solutions to a diverse range of industries across Bangladesh, ensuring precision, quality, and reliability.

ACADEMIC INSTITUTIONS

Universities • Colleges • Schools

Supplying educational lab materials, scientific instruments, and analytical equipment to universities, colleges, and schools for advanced research and practical learning.

HEALTHCARE & DIAGNOSTICS

Hospitals • Diagnostic Centers

Providing hospitals and diagnostic centers with precision testing solutions, medical laboratory equipment, health & safety products, and certified scientific consumables.

INDUSTRIAL & MANUFACTURING

Textile • Manufacturing • Civil

Supporting textile industries, manufacturing plants, and civil engineering firms with GSM instruments, soil testing equipment, industrial testing solutions, and quality control systems.

INDUSTRIES WE SERVE

ST International serves 9+ key industry sectors across Bangladesh, delivering certified laboratory and scientific solutions to government, private, and research organizations.

OUR SECTORS

01 **UNIVERSITIES & RESEARCH INSTITUTES**

Analytical balances, microscopes, glassware, consumables, and educational lab materials for academic excellence.

02 **HOSPITALS & DIAGNOSTIC CENTERS**

Precision diagnostic instruments, PPE, health & safety equipment, and certified laboratory consumables.

03 **TEXTILE & MANUFACTURING INDUSTRIES**

GSM instruments, textile testing equipment, industrial meters, civil soil & construction testing solutions.

04 **GOVERNMENT ORGANIZATIONS**

Supplying government labs, regulatory bodies, and public sector institutions with compliant scientific solutions.

WHY CHOOSE ST

ST International delivers unmatched value through certified products, expert technical support, competitive pricing, and dedicated after-sales service for laboratories across Bangladesh.

OUR ADVANTAGES

TECHNICAL SUPPORT

Expert Guidance & After-Sales

Our dedicated technical team provides professional guidance, installation support, calibration assistance, and responsive after-sales service for all laboratory equipment.

COMPETITIVE PRICING

Best Value for Quality Products

We offer the most competitive pricing in Bangladesh without compromising on product quality, making premium laboratory solutions accessible to all institutions and industries.

FAST DELIVERY

Nationwide Rapid Fulfillment

With an efficient logistics network and strong inventory management, ST International ensures prompt delivery of laboratory equipment and scientific consumables across Bangladesh.

OUR KEY BENEFITS

01 **CERTIFIED QUALITY PRODUCTS**
Internationally certified laboratory equipment and scientific instruments meeting global standards.

02 **RELIABLE SUPPLY CHAIN**
Strong international sourcing network ensuring consistent product availability and timely procurement.

03 **EXPERT TECHNICAL TEAM**
Dedicated professionals providing installation, calibration, and comprehensive after-sales support.

04 **NATIONWIDE DISTRIBUTION**
Efficient logistics and rapid delivery network covering all regions across Bangladesh.

IMPORT & SUPPLY

ST International manages end-to-end procurement and nationwide distribution of laboratory, scientific, and industrial testing equipment throughout Bangladesh.

SUPPLY CAPABILITY

INTERNATIONAL

Global Sourcing & Procurement

We import directly from certified manufacturers in Europe, USA, China, Japan, and South Korea, ensuring authentic products with full documentation and compliance.

DISTRIBUTION

Nationwide Supply Network

Our logistics network covers all major cities and districts in Bangladesh, delivering to universities, hospitals, research institutes, textile industries, and government organizations.

PROCUREMENT

Quality Control & Compliance

Every imported product undergoes rigorous quality inspection. We maintain full import documentation including IRC, BIN, and TIN compliance for transparent and legal trade operations.

OUR STRENGTHS

ST International's import and supply capability ensures seamless delivery of premium laboratory and scientific equipment from global sources to clients across Bangladesh.

OUR ADVANTAGES

01 GLOBAL SOURCING
Direct import from certified global manufacturers across Europe, Asia & Americas.

02 FAST DELIVERY
Efficient logistics and customs clearance for timely delivery nationwide.

03 QUALITY ASSURED
Rigorous inspection and full compliance documentation for every shipment.

04 FULL COVERAGE
Nationwide distribution network covering all major cities and districts in Bangladesh.

NATIONAL MARKET GROWTH

ST International aims to become the leading supplier of laboratory equipment, scientific instruments, and testing solutions across Bangladesh's education, healthcare, textile, and industrial sectors.

FUTURE GROWTH VISION

PRODUCT DEVELOPMENT

New Product Lines & Innovation

Continuously expanding our portfolio with advanced analytical balances, precision instruments, industrial testing equipment, and educational laboratory materials sourced from global manufacturers.

STRATEGIC PARTNERSHIPS

Global Sourcing & Alliances

Forging new partnerships with international manufacturers and research institutions to bring world-class laboratory solutions to Bangladesh's growing scientific and industrial sectors.

INFRASTRUCTURE GROWTH

Warehousing & Distribution Expansion

Expanding our warehousing capacity and nationwide distribution network to ensure faster delivery, better stock availability, and superior technical support across all regions of Bangladesh.

OUR MILESTONES

ST International's growth roadmap focuses on sustainable expansion, innovation in laboratory solutions, and establishing a nationally recognized brand in scientific supply.

OUR OBJECTIVES

01 **MARKET EXPANSION**
Reach all 64 districts of Bangladesh with laboratory and scientific equipment supply.

02 **PRODUCT INNOVATION**
Introduce 50+ new product lines including advanced testing and analytical instruments.

03 **DIGITAL TRANSFORMATION**
Launch e-commerce platform and digital catalogue for seamless product procurement.

04 **SECTOR LEADERSHIP**
Become Bangladesh's most trusted laboratory equipment and scientific solutions supplier.
